

imperial
ware

luxury by design...

imperialware.com.au

simply beautiful are the two words that sum up all the designs in the Imperial Ware range. From period styling to the very latest contemporary look, our stunning collection of suites includes something to suit every home. What's more, you can rest assured it is a look that will last.

**imperial
ware**

Arena close coupled suite

Featuring Arena 420mm inset vanity basin with the Arena SP close coupled suite

Arena

The clean bold rectangular shape is certainly in the forefront of modern bathroom design. The Arena range will assist you to achieve this popular style.

Carlton suite

The Carlton suite features the Carlton 560mm wall basin and pedestal, Carlton low level suite and Carlton bidet.

Carlton

The Carlton range enables you to preserve the precious appeal of a period home and enjoy modern bathroom facilities. With your imagination and some help from Imperial Ware, you can create your own classic bathroom. Carlton is available in white and ivory with chrome or gold fittings.

All products can be purchased separately.

Impala suite

Featuring the Impala close coupled suite with the Impala 500mm wall basin and pedestal

Impala

The Impala is an exciting new addition to the Imperial Ware range of products. It is a winning combination of the latest bathroom fashion and technical innovation. The EVO water saving dual flush cistern is combined with a short projection pan to save floor space in your bathroom.

Impala 450mm vanity basin

All products can be purchased separately.

Lucerne wall faced suite

The suite includes EVO water saving technology and is available with the Caroline scratch resistant seat with soft close hinges. The suite is beautifully matched with the Lucerne 500mm semi recessed basins and Imperial tapware. Featuring Heirloom Saville accessories and Metivo slim line towel warmer

Lucerne

The Lucerne brings top of the range European elegance to your bathroom. The clean lines are both aesthetically pleasing and functional. Lucerne will give your bathrooms the 5 star look.

Lucerne bidet

Lucerne wall faced pan

Tribune

ENVIRONMENTALLY
CONSCIOUS
TECHNOLOGY

Whether renovating, extending or building a new home, the Tribune design offers a wide selection of products to assist you in finding the right solution for your project. The Tribune's wide appeal has been reflected in excellent sales and selection by major home builders. The toilet suites all include the Imperial Ware EVO water saving technology.

Tribune wall faced pan

Tribune suite

PLEASE NOTE:

All descriptions, specifications and particulars contained in this brochure are intended merely to represent a general idea of the goods described herein and none of these form any part of any contract or give rise to any independent collateral liability upon the company.

Our policy is one of continuous improvement and we reserve the right to change specification, prices and design at any time without notice.

Colour reproduction in our catalogue is as accurate as the variables in the photographic and printing process will allow. All sanitaryware shown is white.

Throughout this catalogue all measurements are given in millimetres.

Every effort has been made to ensure the accuracy of the information in this brochure.

Measurements on drawings should only be used as a guide and where critical before purchase should be checked. Errors and omissions excepted.

imperial ware

LUXURY BY DESIGN

We invite you to spend a few minutes learning about Imperial Ware vitreous china products to assist you in making the right choice for your home or project.

Imperial Ware vitreous china is a combination of intelligent design, modern manufacturing technology and care for the environment.

To ensure your toilet suites and basins will last a life time, Imperial Ware only use the finest quality materials and processes. The ceramics pieces are guaranteed for 10 years and replaceable plastic items for 12 months, provided they are installed by a registered plumber.

All products comply with the relevant Australian Standards and toilets are also approved under the Australian Government's Water Efficiency Labelling System – WELS. Look for the EVO water saving label to purchase a 4 star (4.5 / 3 litre dual flush) water saving product.

Vitreous china products shrink during firing and may be subject to minor shape variations. Quoted sizes are nominal and may vary +/- 2%. Such minor variations do not affect the finished look, installation or performance of the product.

At Imperial Ware the manufacturing process sets high quality standards to satisfy the world's most sophisticated markets. Each day, product from the Imperial Ware factory is dispatched to UK, USA, Australia, NZ, Hong Kong and many other countries around the world.

Imperial Ware offer a wide range of toilet suites and basins to suit every bathroom. Enjoy finding some fine Imperial products for your home. As all products are made in the same colours you can mix and match the various products to suit your own style. All products are available in white and some also in ivory, see selection chart.
